Sermon Text: Song Of Solomon 3:7

Valiant Men

**Song of Solomon 3:7 Behold his bed, which is Solomon's;
threescore valiant men are about it, of the valiant of Israel.**

King David is a type of Jesus Christ. **King Solomon** is also a type of Jesus Christ. But each in a different way.

King David is a type of Jesus Christ in the Lord's state of humiliation. He shows the Lord fighting against his enemies.

For David it all started down in the valley when he took the giant Goliath down with a sling and a stone which he had taken from the brook. But it didn't end there. Throughout his adult life David was fighting and destroying his enemies and the enemies of his people. There was one battle after another. The Lord God was with David. And David had many valiant men with him.

King Solomon is a type of Jesus Christ in the Lord's state of exaltation. He shows the Lord in his Kingdom of Glory.

When Solomon began his 40 year reign most all of Israel's enemies had been put down. So Solomon's reign was one of peace and prosperity. The Lord God was with Solomon. And he, too, had many valiant men with him.

Notice also that here in the opening chapters of Song Of Solomon there are **three beds** mentioned:

1—***“our bed”***, 1:16

2—***“my bed”***, 3:1

3—***“his bed”***, 3:7
